BARK WRECKED.

Her Entire Crew of Twenty-Six Go to the Bottom of the Sea.

Not a Vestige of the Vessel Cart He Seen and There is No Prospect of Any Salvage
-- Enormous Damage Wrought
by the Late Guie.

LONDON, Dec. 31 .- The British bark Oseo was wreeked in a gale at Holly-head, early Sunday morning, and with her perished her entire crew of twenty-six men. The Oseo was driven ashore back of the Holyhead break water. Her signals of distress were first heard by the coast guard at 4 o'clock in the morning. At that time it was pitch dark, and great waves were waching them should be submitted to the natherefore that the recent battle was
fought with great obstinacy. The Chiness were strongly entreoched. They
had eleven field pieces and some machine guns, and were well handled.
The Japanese charges were repulsed
with heavy loss. Their receiver from
them should be submitted to the nathorning. At that time it was pitten
dark, and great waves were waching
the breakwater. In spite of the danger
of being washed into the sea, the
guard proceeded along the breakwater,
and, having rigged up the rocket
apparatus, began firing life line in the
direction of the mathem should be submitted to the nathem should be national to the nathem should be submitted to the nath direction of the wreck. The faint light of the rockets soon disclosed the fallen, crushing the livesout of several of the crew. A few survivors could be seen ellinging to each half of the vessel, and their pitcous cries for help could be heard above the roar of the ocean. After many failures the coast guard succeded in firing a line over the wreck but by that time all on board had per ished. A lifeboat vainly tried again and again to reach the wreck. Not a vestige of the bark could be seen Su day, and there is no prospect of any salvage. Several bodies have been

washed ashore. At Hamburg the lower parts of the

been lost. She left Galveston in tow on December 1.

The gale of the last two days did enormous damage on the coasts of nor France, Belgium and Germany. Seven large sailing vessels were towed into Bremerhaven in a badly shattered condition. Several coasters stranded, and some of the seamen abourd were lost. The Ostend-Dover steam pack-

Sr. Johns, N. F., Dec. 31.-A furious gale raged here all of Saturday night and the seas were so high that the mail steamers were detained at this place for twenty-four hours. It is the general opinion among those who are engaged in the shipping trade that the storm has wrought considerable damage among the constwise craft.

SUPERVISING ARCHITECT Will Not Be Appointed Until the Office Running Smoothly.

Washington, Dec. 31.—Secretary Carlisle has decided that he will not appoint a supervising architect of the treasury until about the middle of January, at which time he thinks the new reorganization of the architect's office,

Any friction that may have developed from the changed conditions old men, familiar with the former workings, rather than by the introduc-tion into the office at one and the same time of a new head and a new system. When the new architect is installed he of \$7,000. will find the office moving smoothly, and can devote himself, as is contemplated by the new organization, to the technical and scientific work of the office. Mr. Charles E. Kemper, the chief clerk, and for the past two months the acting surpervising archi tect, has resigned, and his resignation pointed by Secretary Carlisle executive officer in the bureau and will have ab solute charge of the office force and will have nothing whatever to do with

the purely scientific work.

All the old chiefs of division, with the exception of Fred Knowlton, of have been retained, and those two wer dropped only because their divisions were consolidated with others.

DELEVAN HOUSE.
